

COACHES REQUIRED

Row East London!

Salary £18k + dependent upon experience

Have you got the ability, commitment and enthusiasm to be part of London Youth Rowing?

We are looking for several coaches to develop community programmes, including indoor rowing in schools, youth clubs and also some on the water rowing at one of the London Youth Rowing centres in North, East and West London.

You do not necessarily need rowing qualifications as In-depth training will be given. The role does call for real enthusiasm, energy and a desire to work with young people.

If this sounds exciting, contact Matt Rostron on 0207 511 2211 or mrostron@londonyouthrowing.com for further information or post your C.V. as soon as possible to:
